# Services Provided

Can we be of assistance to you?

## Friendly Visiting

Volunteers visit individuals in their homes. The purpose is to provide socialization, and reduce isolation and loneliness. Visits are weekly or bi-weekly as scheduled.

## Transportation

Volunteer drivers transport individuals to local appointments. Requests must be made a minimum of 2 days in advance of services. All rides will depend on availability of volunteer drivers.

## Respite Care

Volunteers provide 2 - 3 hours of relief to allow full-time caregivers time to attend a support group meeting, shop, or enjoy a personal activity.

## Caregiver Support Group

Monthly meetings are held in which family caregivers support each other as they discuss common concerns and possible solutions.

## Road to Recovery

Volunteers transport cancer patients to out-of-town health care centers for radiation treatment.

## Book House Calls

Volunteers pick-out, deliver or return books to the Red Wing Public Library for individuals unable to do so themselves.

I would like assistance in the following areas:
